Sir:

In response to the restriction requirement stated in the Office Action dated January 20, 2006, applicants elect the invention of claims 1-10, without traverse. Applicants elect a fiber base material of silica only, an oxide dopant of MgO only, and an elemental dopant of germanium only. Claims readable on the elected species include claims 1-10.

Examination on the merits is respectfully requested.

Respectfully submitted,

/DJCushing/
